Early in 2017, Officer Garcia was alerted to a situation occurring at the Rothman Ice Skating Rink. A man had gone out onto the ice and was screaming at the Zamboni driver, who was resurfacing the rink. Officer Garcia approached and demanded that the man get off the ice. Not only did he not comply, he pulled a gun from a bag he was carrying and began to load it. It was the middle of the day and the plaza was full of civilians. Officer Garcia removed his own firearm and implored the perpetrator to drop his weapon. Minutes passed. Finally, the man looked up and saw Officer Garcia’s gun pointed directly at him. He immediately dropped his weapon and was placed under arrest. It was later discovered that the man was the former Zamboni driver and had been fired.
