DARRELL GRAVATT
Chair of the Driver’s Education Department
Caesar Rodney High School, Camden, Delaware
Made great advancements to driver’s education at his school

• Helps teens to understand that driving is a privilege and an immense responsibility

• Formed a partnership with the Delaware Office of Highway Safety to teach the reality of distracted driving

• Works with local insurance agents to show students how doing well in school and having a safe driving record can offer many long term discounts

• Arranges for representatives from the “Gift of Life” program to speak to his students about how to become an organ donor through the Department of Motor Vehicles
