KYLE SNYDER
10th Grade, Westfield High School
Westfield, New Jersey
Uses sports to advocate for others

- Credits playing on various hockey teams for teaching him sportsmanship, community awareness and confidence
- Volunteers his time to give people with disabilities access to the ice and the thrill of the game he loves
- Coaches his local sled hockey team which makes hockey accessible to players with physical disabilities, such as cerebral palsy and spina bifida, as well as players with developmental disorders, like autism and down syndrome
- Raises money for these programs and even donated a portion of his own Bar Mitzvah money!
