Team Award of Valor

• While on patrol Officer Kubik witnessed a driver throw a fire bomb from a car window and ignite a nearby porch. Officers O’Brien and Muller were called in to assist and together they rescued the residents and pets, and began battling the flames.

• Officers Rook and Seamans, who were also on patrol, located and stopped a vehicle matching the description provided by Officer Kubik. They took the driver into custody.

• Chief O’Donnell and K-9 Kindle of the Norristown Fire Dept. came in to investigate the incident, but did not find enough evidence to arrest the assailant.

• Detectives Garner, Hunsicker, Mick, and Pitchford took it from there. They conducted extensive interviews, reviewed surveillance, and issued search warrants. Just two days after the original attack, Officers Pleasants and Fries coordinated an arrest of the original suspect.
