## What's Responsible?

### DIRECTIONS

Using the definitions of your First Amendment Rights, answer the following questions by circling the options below. You can circle more than one if you think that there is more than one correct answer.

#### 1. Which of the following is an example of using your Freedom of Speech responsibly?

Drawing a picture for a family member

Saying something to a friend when you notice she's cheated on a test

Writing a letter to your teacher when you think an unfair rule has been created

Screaming "fire" in a movie theater when there's no fire

#### 2. Which of the following is an example of using your Freedom of Petition responsibly?

Sitting outside your principal's office to protest an unfair rule

Posting flyers about skipping class

Telling your classmates not to go to a friend's birthday party because you weren't invited

Attending a public march or charity walk with your family
