Thanks for enjoying this week’s reading of “Last Stop on Market Street” by Matt de la Peña!
This wonderful tale reminds us to appreciate the beauty in the world around us!

Make Your Own Respectacles!
1. Trace the template below onto cardstock and cut out the shapes. Don’t forget to cut the lenses out of the glasses so you can see!
2. Color in the shapes and decorate
3. Fold back tab [A] and tab [B]
4. Line up the straight edges of Side 1 and Side 2 with the folded edges of tabs A and B. If they are too long, cut the straight edge to fit your (child’s) head.
5. Glue together!

Use Your New Respectacles!
Put on your new Respectacles and walk around your house! Look for things that you normally don’t like and try to see the positives instead!

Don’t forget to share your work with us! @nationallibertymuseum #nlmathome
